Family Fun Run Volunteers Needed

We are currently looking for volunteers to help make the 1st Alumni and Friends of

Pius X Family Fun Run a success. Help will be needed any time from 6:30 a.m. to about 10:30 a.m. To volunteer in any capacity on August 27th, **please contact [Kristin Heath](#) at 402.488.0931.**

Ovens & Tables & Sinks - Oh My!

It's almost time to put the finishing touches on the new Pius X kitchen. That means it's almost time to install ovens and tables and sinks and refrigerators and serving tables and so much more! Thanks to your help, Pius X's new kitchen will be a reality when school opens on August 18.

With construction quickly coming to the point of installing equipment, we need your help! The cost of all the items that make the kitchen a quality, functional space must be borrowed and then repaid with interest. You can help us avoid these costs and interest charges by making a tax-deductible donation to help fund a portion of this cost.

And now you can make a donation easier than ever! [Fund-It](#) is our new on-line donation program which allows you to search Pius X needs. You can then choose to donate the entire cost or just a portion of the cost of the item. Any donation which you can generously provide is greatly appreciated! For more information on [Fund-It](#) and how you can be part of seeing our dream of a new kitchen become a reality, visit <http://foundation.piusx.net>.

Mark your calendar...

The Annual Friends of Pius X Appreciation Reception will be held **Sunday, September 11 in the Pius X Commons**. This year, we will be honoring Bob Bryant and Mary Jo Rodeno, and dedicating the new Pius X kitchen. Please plan to join us!

Summer Fun?

Lots of summer fun may be on the agenda for students and families this time of year, but around Pius X there is lots of work happening! Summer is the time when all of the planning, budgeting and preparing is completed for the upcoming school year.

Every year, there are items which just can not be included in the budget. On [Fund-It](#), our new on-line donation program, you can search for items which you have typically seen on the Teacher's Wish List, and then donate a full or partial amount toward specific items. The items included in [Fund-It](#) will enhance student learning. Any donation which you can generously provide is greatly appreciated! All donations are tax-deductible. For more information on [Fund-It](#), visit <http://foundation.piusx.net>.
