# Connecting You

**Fund-It** is an innovative and exciting new on-line giving program which connects you with Pius X High School and the needs of our students, teachers and staff. After searching the approved Fund-It options, you are able to donate directly to specific needs and make tax-deductible contributions that fully or partially fund each project or item.

Pius X High School works diligently to provide a Christ-centered education with high academic standards while maintaining one of the lowest tuition rates in the nation. With your support through Fund-It, we will be able to keep a Catholic high school education at Pius X affordable for every student and family.

Visit the Pius X Foundation website at <http://foundation.piusx.net> to donate today!
